*"The retreat was restful—not exhausting which is how every conference has been for me. God the Father delighted me in his unexpected, tender, personal care. Jesus strengthened me for the future, healing long held wounds and giving me a vision for the future. The Holy Spirit checked my wrong directions and bound me in unity, leaving me with joy and peace."*

# Spiritual Discernment

In God we live and move and have our being. He is not far from any one of us. His desire is for us to know him and his love for us in Jesus Christ. At the heart of all of our retreats and seminars, whether specific offerings as listed below or custom-designed events, is learning to discern the presence of God and the movement of his Spirit in our lives. His promise is that if we will seek him with all of our heart, he will make himself known to us. When we make the effort to intentionally set aside time for retreat, we position ourselves to experience God in very deep and spiritually fulfilling ways. This encounter, in turn, enhances love, service and Spirit-led participation in our own unique calling and vocation in Christ.

### Experiencing the Trinity

#### A Deeper Walk

Retreat/Seminar Objectives: To provide participants with experiential knowledge and understanding of spiritual formation practices that enhance a more personal and intimate relationship with God. Topics include: Discerning the Presence of God, The Practice of Sacred Reading, and arranging our lives for Spiritual Transformation through spiritual rhythms practiced by Jesus Christ.

This 3-day retreat provides a time for pastors, ministry leaders, and lay members alike to be refreshed, rejuvenated, and spiritually renewed by means of a focused encounter with our Triune God; Father, Son, and Holy Spirit. Through periods of solitude, prayer, meditation, communion, fellowship, and other spiritual formation activities, participants will have the opportunity to come to know God more intimately, and to experience his presence in new ways.

#### Transforming Prayer

The healing ministry of Jesus Christ continues today. As with other aspects of his ministry, Jesus invites us to participate with him in it. One-day introductory seminars or 2-3 day retreat formats provide experiential training in how to serve both individually and as a prayer giver team to position people before Jesus for healing in body, soul, and spirit.
