

A Deeper Walk Retreat

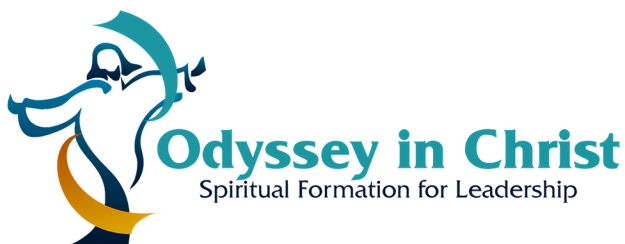

WHO AM I, REALLY?

**Discovering Your False Self
Ways to Live into Your True Self
Emotionally Healthy Spirituality**

“Christian Spirituality is a transformational journey. It is on the mind and heart of Christ as we recognize Christ as the deepest truth of our being. It is not just becoming like Christ, but actualizing the Christ who is in us. It is a journey toward union with God. And if these things don’t challenge and ultimately transform the very foundation of our identity, we have not yet gone very far on this journey.” ~David Benner in *The Gift of Being Yourself*
