The goal of the Christian life is to live in a way that leads to spiritual maturity and completeness in Christ (Matthew 5:48). This 5-1/2 day retreat provides for a time of immersion into the rest that Christ offers for receiving his love personally and intimately, thus opening the way for a heartfelt response to his grace and the healing and wholeness that only he can bring.

*Come to me. Get away with me and  
you'll recover your life.  
I'll show you how to take a real rest.*

Matthew 11:28
