

“Lord, teach us to pray...”

A Prayer Seminar designed for those who are new to prayer and for those experienced in prayer to go deeper in their relationship with God.

Prayer is an invitation to come to God in openness and trust, and God provides everything that we need to do this.

"One thing I know for sure about prayer these days is that we do not know how to pray. It is only the young in Christ who think they know how to pray; the rest of us know we are just beginners. So let's try to begin together, which is really all we can do."

Ruth Haley Barton
